In response to your two letters of April 10, 2001, the Committee to Re-Elect Nydia M. Velazquez to Congress submits the enclosed amended reports for the reports referenced above. In addition to the issues raised in your letters, we have also addressed other inadvertent mistakes made. I have outlined the changes made in each report below.

## July 15 Quarterly Report (4/1/00-6/30/00):

- A \$250 contribution received from Ira Lutzky was not included in the original report
- A \$5000 contribution of excess campaign funds was made to the Democratic Congressional Campaign Committee

## 12 Day Pre-Primary Report (7/1/00-8/23/00):

- The year-to-date totals were corrected on the Summary and Detailed Summary Pages reflecting the changes made above (and all subsequent reports)
- Schedule D supporting the amount reported on Line 10 of the Summary Page is enclosed
- In the original report, there were two contributions of \$250 each attributed to the Latin American Management PAC. In fact, these two contributions were personal contributions from Stephen W. Denlinger, who is employed by the Latin American Management Association.
